There are some changes this year. One of the biggest changes will be in Activities.

The new football field in Brandon has been completed and all games will be played in Brandon this year.

The Evansville Big Gym has also had some work done on the floor to make it ready for Volleyball. The first home football game is Friday, September 2nd. B/E Charger Volleyball starts off with a home game on Tuesday, August 30th.

Beginning Sept 6th, in collaboration with the Brandon High School 7/8/9 grades will all be taking Math, Science and English together in Evansville for the first 3 hours of the day for the first semester. After the first semester, both Brandon and Evansville students in 7/8/9 grades will have those core classes taught in Brandon. The 10th grade classes from Brandon and Evansville have been combined so that they also have those core classes together. Sophomores will leave for Brandon before 3rd hours and will return after 5th hour.
